WELCOME FROM THE HEADTEACHER

www.astonmanoracademy.com

Welcome to Aston Manor Academy
We are very proud of all our students at Aston Manor Academy and I know that they will do everything they can to support you in your first few weeks at your new school.

YOUR TIMETABLE

One of the biggest differences about secondary school is that you have to follow a timetable: each subject is taught in a different room by a different teacher.

We have a 'two-week timetable' which alternates from Week 1 to Week 2. Your lessons will be different on the first two weeks then reset back to Week 1.

You will have some time in your first week in form to get to know your timetable better and copy it out into your planner.

EXPECTATIONS FOR SUCCESS

OUR STEPS TO SUCCESS

BE READY – arrive on time with the required equipment and in full uniform. Listen carefully and follow instructions.

BE POSITIVE – Show positive attitude. Be creative, independent and reflective. Work with others positively. Be prepared to take on challenges.

BE RESPONSIBLE – Value all learning. Contribute to school life and help others. Always do your best.

BE RESPECTFUL – Respect yourself. Show respect to others and respect your surroundings.

Our system for Positive Discipline for Learning is based on our steps to success which are intended to be fairly and consistently applied in a supportive manner in all classrooms. Staff will need to assess pupils' ATTITUDE (involving behaviour, work and co-operation) in each lesson. Children who do well will receive a commendation stamp which needs to be valued by pupils, parents and teachers as evidence of achievement. We intend, therefore that the pupil's planner becomes an effective, detailed, daily communication with each parent of each child.

Teaching staff need to identify pupil targets at the beginning of each lesson and remind pupils of these as appropriate, so that expectations are met and commendation stamps achieved.

If pupils fail to demonstrate the necessary attitude, then the appropriate consequence will apply.
